Terra Porcelain.

Elegant & Stylish

Combining Acacia Wood and the Aqua Blue Terra Porcelain coupe bowls, plates, conical bowls and platters creates an air of elegance. Adding a touch of stainless steel creates a stylish and modern look which can be used for any occasion. Experiment with different Terra colours, mix and match depending on the display you want to create.

Risers, Platters & Drawers.

Innovative & Inspiring

Risers not only create height in settings, they are space savers too! Mix and match with various platters to create a quirky display.

The acacia wood presentation drawers can be used in a variety of ways, but are perfect for food presentation.

Olive Wood.

Striking & Distinctive

With its striking appearance with each piece having its own unique features due to the olive tree's distinctive grain, the Mediterranean style boards create the ideal setting for an evening function or even a country style wedding! Team these with WECK® and terrine glass jars to present salads, soup shots, dips, desserts and more.

Forge Stoneware.

Practical & Functional

Forge buffet stoneware combines the aesthetics of cast iron, as well as boasting an overall strength of body and chip resistance like porcelain.

These cook & serve items are perfect when serving hot style breakfast or lunch and dinner.

The modular design makes them ideal for stacking and have great heat retention properties, making any hot counter service seamless.
